How to Use the Size Sorting Mats

1. Print out all the pages or just the pages you want to use. There are two options for the largest size (large and big) and for the smallest size (small and little). Choose whichever you wish to use.
2. Using a heavy weight paper or even laminating them will make them last longer.
3. The size sorting mats are approximately 8.5" x 11".
4. The movie pictures come in three different sizes. Approximately 2.5" x 2.5", 2" x 2", and 1.5" x 1.5". There are nine per size. They will need to be cut apart.
5. Choose three mats for three different sizes.
6. Sort the pictures by size onto the correct mats.
